GIVING VOICE
TO YOUR BUSINESS AMBITIONS

AUDIO SOLUTIONS
TONED TO TRIGGER
RESPONSE

IVR ▪ THM ▪ RADIO COMMERCIAL ▪ DUBBING

WE DON'T JUST TALK THE TALK BUT TONE THE TALK TOO

Voice can calm us down with reassurance or get us thrilled with excitement, depending on how it is being modulated. It holds the power to influence people. At Studio 52, we understand this tremendous potential that tone of voice holds and utilize this potential to produce high impact audio solutions for players engaged in a diverse mix of industries.

We have experience of working with major players from industries like hotel, bank, airline, oil & gas, real estate, car rental, healthcare, IT, FMCG, food & beverages etc.

INTERNATIONAL QUALITY AUDIO PRODUCTION SERVICES
